25% refund if dropped on Fourth Class Day: May 14th only
No refund beginning May 15th.

*Please note that “class day” is ANY day that the College is having classes. This does not represent each individual class meeting days.

For example, a class that only meets on Tuesdays and Thursdays, does not get to count Tuesdays and Thursdays only as “class days” for the refund period. Since the college has classes on Saturdays, all Saturdays are also included in the calculation of the refund period (Saturdays count as a “class day”).
